making a
DIFFERENCE

HOW DO YOU WANT TO CRAFT TODAY?

I love this time of year!

I'm surrounded by people who craft for the holidays, and I'm always excited to see what they make with our products—from simple cards to extravagant advents.

This got me thinking about how my crafting needs vary—sometimes I want to spend time exploring my creativity so I might choose a whole suite of products to play with, sometimes I want to follow instructions, and other times I just need to make a quick tag to finish a gift. That's why I love how we organize our products—to meet varying crafting needs. As you browse through these categories and the rest of the catalog, ask yourself, "How do I want to craft today?" And I'm guessing we have a solution for you!

Step-by-Step

Kits! One of my favorite ways to get to know new friends is to "kit together!" It's a simple way to spend time together while making something meaningful.

Quick & Easy

If you're looking for the perfect way to put something together in a few minutes and add a heartfelt message, Mix & Match is for you. Sometimes it's the simplest gestures that grow the greatest friendships.

Creativity Your Way

We have a wide range of coordinating products that allow you to take creative control and make whatever it is your heart desires. Some of my go-to creations around the holidays are thoughtful gifting options—whether it's a festive box to hold a sweet treat or a tag to dress up any gift, the recipient will love the personal touch.

This catalog is organized to help you find the products you'll need for any occasion. You want to craft this season? We have something for you!
